7 UNITED STATES DISTRICT COURT
8 WESTERN DISTRICT OF WASHINGTON
9 AT SEATTLE

10 JOHN STEWART,

11 Plaintiff,

12 v.

13 PROMETRIC LLC,

14 Defendant.

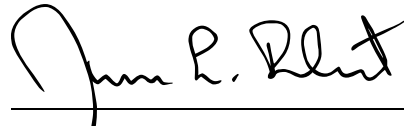

CASE NO. C19-1362JLR

ORDER

15 Before the court is the parties' Joint Status Report. (*See* JSR (Dkt. # 15).)
16 Attached to the parties' Joint Status Report are (1) their proposed stipulated order
17 regarding the discovery of electronically stored information, and (2) their proposed
18 stipulated protective order. (*See id.* ¶¶ 4.C, 4.D, Exs. A (Dkt. # 15-1), B (Dkt. # 15-2).)
19 In their Joint Status Report, the parties ask the court to enter both of these stipulations as
20 orders of the court. (*See id.*) The parties, however, have failed to comply with Local
21 Rule LCR 26(c)(2). *See* Local Rules W.D. Wash. LCR 26(c)(2). Pursuant to this rule,
22 "[p]arties are encouraged to use this district's model protective order, available on the

1 court's website." *Id.* "Parties that wish to depart from the model order must provide the
2 court with a redlined version identifying departures from the model." *Id.* Here, the
3 parties appear to have used the court's "Model Agreement re: Discovery of Electronically
4 Stored Information" and "Model Stipulated Protective Order," but have failed to provide
5 red-lined versions as required under the court's local rules. Accordingly, the court
6 DENIES the parties' request in their Joint Status Report for entry of their agreed
7 protective orders (Dkt. ## 15-1, 15-2), but without prejudice to re-filing in a manner that
8 comports with the court's local rules. Finally, the court encourages counsel to review the
9 court's local civil rules in their entirety prior to any future filing to ensure complete
10 compliance therewith. Repeated violations of the court's local rules may result in the
11 imposition of sanctions.

12 Dated this 25th day of October, 2019.
